

Community Team

Why do I need a community team?

A. We truly believe that it takes a community as a whole to help any youth. With a strong team to help you your ability to achieve success is greater. A community team can consist of many different individuals or Organizations. These are the individuals or organizations you will rely on during signs of trouble.

An example of community team members:

- Parents
- Teachers
- Police
- Help Lines
- Block Parent Homes
