

What are youth saying about F.A.C.T.S.?

"They spoke too me rather than down to me like most speakers do when they come and talk to us. I paid more attention that way."
Cynthia, 15

"They gave examples of real life situations to keep people interested and so that we can relate."
Katy, 18

"It was reminded to me how important goals are in our life and knowing what we want and how to get there. I want to thank you for encouraging me to follow my dreams, no one has said those encouraging words to me before."
Rob, 19,
